Shipping and Handling

Items are ordered and shipped from Idaho.

As the cost of shipping continues to fluctuate with the rising cost of fuel, shipping will be based on how many orders are sent together at one time.

Shipping charges will be added to your final bill at the time your merchandise is delivered based on the weight of all items shipped.

Due to product ordering and vendor production time please allow 2 - 4 weeks for delivery.

2 Ways to Order and Pay

1. **Email your order to Jill@WSPiR.com and pay by PayPal.**
2. **Bring your order and a check payable to WSPiR to the next meeting.**

American Monogram is continuing to do WSPiR orders even though they have ceased operation. That is why they need the payment with the orders.

Return Policy

All merchandise is guaranteed to have quality embroidery. If the quality of the embroidery is not acceptable you may return the item to have it redone.

It is very important that you order your correct size. See size chart on last page.

Due to the products being personalized specifically for WSPiR, they cannot be sent back to the supplier. American Monogram is not responsible if your garments do not fit.

If you are unsure of your size please verify with measurements before ordering.

Due to supply and demand, some products may be on back order. We will do our best to find a comparable item or refund your money.
