Size Charts

A black and white photograph of a forest path with a stream, serving as a background for the title. The path is covered in fallen leaves and branches, and the stream flows through the center of the path. The trees are tall and thin, with bare branches. The overall scene is a serene, natural setting.

SIZING UPDATES

Ladies Plus Sizing

In response to customer demand, ladies plus sizing is now easier to shop in the following brands: Red House®, Port Authority®, Sport-Tek®, Port & Company®, CornerStone® and District Threads®. Accommodating a more natural size progression, Plus IX is now 3XL and Plus 2X has become 4XL. We've also added two new size categories, 5XL and 6XL, in select styles (L500, L508 and L608).

SIZING FOR EVERY BODY

HOW TO MEASURE

Adult Sizes

Chest – With arms down at sides, measure around the upper body, under arms and over the fullest part of the chest.

Neck – Measure around the base of the neck, inserting a finger or two between the tape and neck for comfort.

Waist – Measure waist at the height pants are normally worn, and keep tape comfortably loose.

Sleeve – Place hand on hip. Start at the center of the back of the neck and measure across the shoulder, to the elbow, and then down to the wrist.

Inseam – Measure a similar style pant that fits well and is the desired length. Measure from the crotch seam to the hem.

Ladies Sizes

Bust – With arms down at sides, measure around the upper body, under arms and around the fullest part of the bust.

Waist – Measure at the natural waist, and keep tape comfortably loose.

Hips – Stand with heels together, and measure around the fullest part of the hips.

Sleeve – Place hand on hip. Start at the center of the back of the neck and measure across the shoulder, to the elbow, and then down to the wrist.

Inseam – Measure a similar style pant that fits well and is the desired length. Measure from the crotch seam to the hem.
